Day to Day Information

Parking at Cranbourne

From 8am onwards you will be able to park on the road in the permitted spaces. If not available, parking is available in the car park off Hatchet Lane by the play park (SL4 2EP).

Please do not park in the school grounds.

Meals

As a sugar free setting, we offer a healthy mix of fresh fruit, yoghurt, and cereal from 7.30am in the morning.

After school a healthy snack is served at around 4pm each day. The children are offered freshly made wraps with a choice of fillings; cheddar cheese, tuna mayo, or ham (or a mixture of fillings). This is accompanied by fresh crudites such as cucumber and peppers, and followed by fresh fruit such as bananas, apples, strawberries etc. We are happy to accommodate all dietary requirements if we know in advance.

First Aid

All staff attend regular Paediatric First Aid classes. In the event of an accident, we reserve the right to seek medical advice from the closest casualty department.

Staff Ratios

In line with Ofsted guidelines, we operate on a 1:8 staff to child ratio. All staff have completed recognised safeguarding training and hold a current DBS

Behaviour Management

We believe in a consistent approach with positive reinforcement, if necessary, we will use time out when behavioural issues arise. In most cases this is sufficient, but if behavioural problems do develop, we discuss the matter with parents and a workable solution is sought.

In certain circumstances internal assessments will be undertaken and used to form part of an action plan.

Collection of Children

If someone other than a parent or legal guardian is to collect a child, parents must inform the nursery in advance. The name and description of the person will be documented, and a specific collection password given.
